Welcome to HSV! Opportunities of Engagement for Visiting Convention Groups

About

Huntsville International Airport (HSV) will allow convention groups the opportunity to display welcome messages in the airport. This service is offered to groups that welcome 300 or more conventioners to HSV.

Requests must be submitted in writing at least 30 days prior to the group's arrival and are accepted on a first-come, first-served basis. Artwork must be approved by the Airport Public Relations Staff prior to production and installation. Event hosts will assume all production costs for artwork and signage. Please forward artwork to prmanager@hsvairport.org for review and approval and include the name of your convention/organization in the subject line.
